NEW FOLDER

WORK ON HOMEWORK IN CLASS FOR 10 MINUTES

NAME YOUR PHOTO IN THE HALLWAY FOR A WEEK

SHOUT OUT DURING WEEKLY ANNOUNCEMENTS

MOTIVATIONAL WRIST BAND

On 4.27.22, the students at Hillcrest Academy (HCA) were able to cash in their RAM Bucks for their very first shopping day at RAMS-R-US, our site store. Students are able to earn RAM Bucks for demonstrating consistent prosocial behaviors while attending classes, transitioning in the school and demonstrating the expected education norms on a consistent basis.

More than 25 students participated in the first shopping event while others chose to save their RAM Bucks to buy higher priced items. Students completed "order forms" for homework and submitted them upon arrival to school. Our Principal, Mr. Voll, then filled the orders Amazon style from our fulfillment center located on campus.

Some very popular items included: Old Spice Body Wash, ROP pullovers and hats, personal loofa sponges, motivational wrist bands, personal chess games and passes for free homework. Students were very excited about turning in their RAM bucks and are eager to begin earning more for the next shopping day at the end of May. This initiative has created a positive buzz in the school and around campus and it is quite evident that our culture is becoming more and more positive. Teachers have embraced this new idea and are learning to maximize its effect in their own individual classrooms. We look forward to seeing this program blossom and become one of the best parts of our program.
